HOW TO USE HOTEL DIRECTORY

Participating hotels are listed alphabetically by state and city. Choose the hotel you wish to stay at and read the offer and validline carefully. Simply make your advance reservations directly with the hotel by calling the number listed. Please remember, you must FIRST identify yourself as an "ENTERTAINMENT®Travel" member or the discount will not apply. That is all there is to it. Make sure you have your plastic ID Card with you to present to the desk clerk when you check in. The ID Card may be used again and is valid for the duration of your confirmed reservation, based on the terms stipulated in the offer.

IMPORTANT TRAVEL RULES - PLEASE READ CAREFULLY

1. **ADVANCE RESERVATIONS: Offer is valid only if you make advance reservations directly with the hotel and FIRST identify yourself as an "ENTERTAINMENT®Travel" Member or discount will not apply.**
2. **CONFIRMATION:** Your reservation will be confirmed at the discount rate based on space availability. It is suggested that you always obtain a confirmation number or written confirmation.
3. **AVAILABILITY:** Discounts on accommodations are on "availability basis." This means discount reservations will be accepted until the hotel PROJECTS it will fill up for the date(s) in question. In the travel industry full occupancy is considered to be approximately 80%. As prime hotels are often filled to capacity at regular rates during peak periods, you may not always be able to secure discount reservations on a specific date at the hotel of your choice. Keep alternate choices in mind when making travel plans. Limited rooms may be available at the discounted rate. Offer may not be available on certain dates and the hotel reserves the right to refuse discount reservations.
4. **RATES:** The 50% discount applies to regular (rack) rate unless otherwise indicated and does not apply to packages, special rates, promotional rates, group or convention rates, travel agency bookings or any other reduced rates.

   In some cases, hotels may offer a special promotional room rate for a limited time to the general public. 50% off the regular rate is usually lower; however, to ensure savings for Entertainment® members, many hotels will now discount 10% off these special rates if it provides a lower price. **This 10% discount is noted by the ▲ within the directory listing and applies only to special promotional room rates. It does not apply to packages, group rates, convention rates or travel agency bookings.**
5. **CHECK-IN:** You must present ID Card at check in. Card may be used only for the date(s) you have already confirmed in advance.
6. **READ EACH LISTING CAREFULLY AS THERE MAY BE SPECIFIC RESERVATION INFORMATION PERTAINING TO AN INDIVIDUAL HOTEL.**
